Front Line Cemetery Training Program

This year's *Front Line Cemetery Training Program* will be held **Thursday, July 21, 2022** at **Saint Andrews & Saint James Cemetery in Orillia**. This program will provide a review of best practices as it relates to front line cemetery employees.

Topics that will be covered include: Vault Handling & Installation; Safe Monument Handling; Traditional Interment Services & Cremation Interment Services Set-Up.

This year's program will include a special presentations on Tree Care & Safety and Small Equipment Maintenance & Safety.

We also want to hear from you regarding challenges at your cemetery. An open forum will take place so we can address what matters most to you.
